

Dear Joe,

The Yahrzeit for Foo Baz is observed on 13 Nisan according to the Jewish calendar, which occurs this year on April 21, 2016.

I encourage you to observe Yahrzeit in these customary ways:

- Light a Yahrzeit candle on the evening preceding the date of the Yahrzeit. Yahrzeit candles are available through the temple.
- Attend worship services to say Kaddish on the Shabbat following the Yahrzeit, which will take place on April 22 at 8:00 pm (7:30 pm on third Friday of the month)
- Sponsor the Oneg Shabbat at Congregation Beth Emek on the date when Kaddish will be read.
- Make a contribution to the congregation in memory of your loved one.

I hope that the memory of your loved one will inspire you to continue to grow in good deeds and holiness.

L'shalom,

Rabbi Laurence Elis Milder, Ph.D.
